Naam van het team: *Team name:*	Chanty's
Naam van het product: *Product name:*	Num Plae Ai/Sticky Rice Balls with Cashew Apple
Beschrijving voor Communicatie *Description for Communication*	**Chanty's** Sticky Rice Balls is a chewy, flavor-filled dessert inspired by the Cambodian *Nom Plae Ai* with a tangy twist. The rice ball is filled with a milky cashew apple paste and rolled in soft coconut. The product development of Chanty's was made to introduce the taste of cashew apple (which is an underutilized fruit that is barely seen in markets due to its short shelf life). This is also a sweet way to introduce cambodian cuisine to the world! Additionally, the name Chanty's is derived from 'svai chanti' which means cashew in the Khmer language!
